

Family Run and Proudly Serving Sausalito and Surrounding Areas for Over 40 Years!

WE APPRECIATE OUR CUSTOMERS! WISHING YOU AND YOUR LOVED ONES A VERY SAFE FUN AND HAPPY HOLIDAY SEASON FROM THE A&A AUTOMOTIVE FAMILY!

Community Spotlight: Adopt A Family of Marin

This holiday season, A&A Automotive is proud to support Adopt A Family of Marin, an organization that has been wrapping its arms around local families in need for over 30 years. Their mission is simple yet powerful — to prevent homelessness in Marin County and ensure no child goes without a home or a joyful holiday.

Each year, Adopt A Family connects generous donors with local families who share their holiday wish lists. Donors “adopt” a family, shop for their gifts, and deliver them to Adopt A Family’s office, helping hundreds of families experience the warmth and magic of the season.

To help further their impact, A&A Automotive will be donating a percentage of all labor costs from every Winter Protection Bundle Special this month directly to Adopt A Family of Marin. When you protect your vehicle this winter, you’ll also be part of helping protect a local family in need!

We invite you to join us in spreading holiday cheer — learn how you can Adopt a Family or donate at adoptafamily.org/holiday-program.

Together, we can keep the season bright for families across Marin!

The Most Forgotten Items on Holiday Drives (Don't Leave Home Without These!)

Before you hit the road for holiday travels, here are the small-but-mighty essentials people forget most often—usually right as they’re pulling out of the driveway:

- **Phone charger & backup cable:** Because navigation, music, and family group texts all drain batteries fast.
- **Ice scraper:** If you are traveling outside of warmer areas, a sudden cold snap can surprise you.
- **Snacks & water:** Prevent “hangry passenger syndrome” and keep everyone happy during delays.
- **Tire pressure check:** Cold temps can drop tire PSI quickly—quick fix, big safety boost.
- **Gift receipts & last-minute gifts:** You’d be amazed how often these get left behind!

A two-minute checklist before you leave can save you from turning around—or scrambling at a gas station later. Happy travels!

WHAT OUR CUSTOMERS ARE SAYING:

WE LOVE HEARING FROM OUR CUSTOMERS!

Here’s what one of our recent visitors had to say about their experience at A&A Automotive!

We’re **proud** to provide exceptional care for your vehicle. Have feedback for us? We’d love to hear from you! Visit AandASausalito.com to leave a review !

I was on the road traveling... and had a driveshaft/bearing(s) problem. "Easy Auto" was close to where we were staying and was able to take my truck in and diagnose the issue.

The staff was nice, informative and was quick to start the repairs! I got my truck back in a day and it performed perfectly all the way home; 350+ miles!! I would take my truck (back) there any time, any day and totally trust them once again...
