SUPPORTING OUR COMMUNITY IN THE WAKE OF THE PALISADES, EATON, AND HURST FIRES

At A&A Automotive, our hearts go out to all the victims of the recent Palisades, Eaton, and Hurst fires, which have had such devastating effects on our neighbors in the Los Angeles community.

As a small way to give back, we'd like to partner with our customers to support those affected. From February 10th–14th, a portion of labor charges from any repair or service visit will be donated to organizations providing relief to fire victims.

If you're unable to make it in but still wish to show your support, we encourage you to consider donating to the following organizations, who are doing incredible work to provide relief:

- American Red Cross Call 1-800-RED-CROSS, text RED-CROSS to 90999, or visit www.redcross.org providing shelter, food, medical care, and long-term recovery support.
- United Way of Greater Los Angeles Visit unitedwayla.org to donate. Addressing urgent needs including support for low-income individuals, the homeless, and small businesses that have been affected.
- Pasadena Humane Visit pasadenahumane.org. Pasadena Humane has taken in over 150 stray animals and is working with shelters across the country to provide care and reunite local pets with their families.
- Los Angeles Fire Department Foundation (LAFD) Visit lafd.org/foundation. Supporting the Los Angeles Fire Department providing essential resources for fire response and prevention

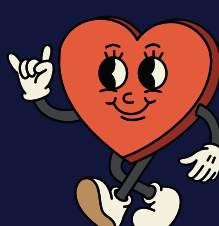

Thank you for helping us make a difference!
