

FAMILY RUN AND PROUDLY SERVING SAUSALITO AND SURROUNDING AREAS FOR OVER 40 YEARS!

FALL IS FAST APPROACHING, AND THE EXPERTS AT A & A AUTOMOTIVE ARE BUSY HANDLING SERVICES AND REPAIRS FOR THE MONTHS AHEAD!

REPAIR NEWS

As fall approaches, our mechanics are busy prepping vehicles for the **changing season!** These services include **tire inspections**, ensuring **proper tread**, or switching to **all-season or winter tires**. **Brake checks and battery tests** are essential, as colder weather can affect stopping power and strain older **batteries**.

Our mechanics also focus on **heating and defrost system tune-ups, fluid top-offs** (like antifreeze and windshield washer fluid), and **replacing worn wiper blades** for better visibility in rainy weather. **Alignment and suspension checks** help maintain **safe** handling as road conditions change. These services ensure your vehicle is road-ready for fall!

Come visit us soon to make sure your vehicle is all set for the changing season!

PROUD TO PARTNER WITH MENTAL HEALTH ADVOCATES OF MARIN!

September is Suicide Awareness Month! Easy Automotive is dedicated to mental health awareness and supports local programs that advocate for mental health causes in our community.

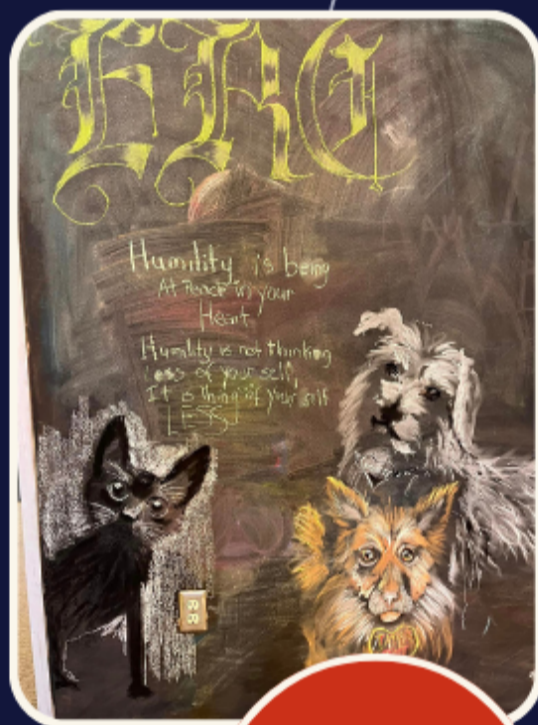

We are very proud to collaborate with **Mental Health Advocates of Marin** who represent the mental health consumer experience in our community. They advocate for all members of the community acting as watchdogs of the system. They provide an atmosphere of **warmth and caring** that give the best **opportunities** for those with mental health challenges to reach their highest potential.

They manage the Enterprise Resource Center- a mental health drop in center where **everyone is welcome**. The ERC provides support to those living with mental health or substance use challenges. There are mental health support groups, a day program, peer education, art, activities, and field trips available. **They're open from 10am-4pm EVERY Day of the week!**
