

FAMILY RUN AND PROUDLY SERVING SAUSALITO AND SURROUNDING AREAS FOR OVER 40 YEARS!

## WHEREVER THIS SUMMER TAKES YOU, A&A IS HERE TO HELP YOU GET THERE!

### HOW COASTAL AIR AFFECTS YOUR VEHICLE & WHAT YOU CAN DO ABOUT IT

Living in Sausalito means stunning views, salty breezes, and the occasional seal sighting—but it also means **your car is constantly exposed to coastal air** that can quietly do **damage** over time. The salty moisture in the air **accelerates corrosion**, especially on your vehicle's **undercarriage, brake lines, and exposed metal parts**. Even paintwork and chrome finishes can take a hit, with salt particles dulling the shine and eating away at protective coatings. If your car lives outdoors, the risk is even greater—foggy mornings and salt-laden mist love to cling to surfaces long after the sun comes up.

The good news? A few **simple steps** can help protect your car year-round. **Regular washes**—especially undercarriage rinses—can wash away the salt before it causes trouble.

**Applying a high-quality wax** or ceramic coating provides a barrier against corrosion and fading. And if you're driving an **EV or hybrid**, it's smart to check that moisture isn't affecting any **electrical components**. Whether you're parking near the harbor or commuting across the Golden Gate, giving your car some **extra TLC** will help it stay **beautiful and dependable** in Sausalito's ocean-kissed climate.

### FATHER'S DAY IN SAUSALITO: UNIQUE LOCAL EXPERIENCES & GIFT IDEAS

Looking to treat Dad to something special this Father's Day? Here are five local ideas he'll actually enjoy:

- **Sunset Bay Cruise** – Book a scenic boat ride from the Sausalito Marina for unforgettable views of the city skyline and Golden Gate Bridge.
- **Brunch with a View** – Reserve a waterfront table at The Spinnaker or Barrel House Tavern for fresh seafood and epic scenery.
- **Classic Car Detailing Package** – Give Dad's ride the royal treatment with a full detail from a local shop (bonus points if it includes a ceramic coating!).
- **Visit the Bay Model** – For the history buff, this working hydraulic model of the San Francisco Bay is fascinating and free.
- **Gift a Scenic Drive & Picnic** – Pack up his favorite snacks and cruise up to Marin Headlands or Mount Tam for some quiet time with a view.
- **Gift A&A's Keep Dad Rollin' Special** – Peace of mind makes a great gift! Give him one less thing to do, check car maintenance off his list!

Whether he's into cars, coastlines, or coffee with a view, Sausalito has something to make his day memorable.

#### WE LOVE HEARING FROM OUR CUSTOMERS!

The team at A&A are amazing. I couldn't find a shop willing to work on my '73 Datsun 240z but as soon as I pulled up, the team was excited to talk about the car and willing to provide support. They got me excited about getting the car back on the road instead of collecting dust. Great communication throughout the work, communicated options, recommendations, and costs. I try and do my own DIY but if I ever need help with complex or technical projects, there isn't another shop near to the city that I trust.
